

Bulkley Valley Christian School

Tuition Rates

BVCS is a parent-run, faith-based independent school that receives government funding for half of the cost of educating a student in B.C.. The remainder of our cost is covered by tuition and donations.

For the school year 2011/2012, the monthly tuition rate is **\$525 per family per month**, for 12 months of the year. It can also be paid over 10 months (\$630 per month) or in a lump sum.

If you are a new parent sending your child(ren) to BVCS, we have a **special introductory rate**. One of our suggestions to make tuition more affordable is to use the tax benefit offered by the government to offset your costs. A tax receipt will be issued for a significant portion of your tuition and you will receive a 43.7% tax credit providing you have already donated \$200 to other causes. This credit can be used to pay part of the following year's tuition.

Example: 2011/2012 Tuition:	\$6,300
Average tax receipt:	\$5,355 (85% of tuition)
Tax credit (43.7%):	\$2,340
Net tuition:	\$3960

(Calculation is an illustration only, actual numbers may be slightly different.)

Bus Information

For those families needing bus service for their children (public or BVCS bus) there will be an annual fee of **\$150**, payable at the beginning of the school year.
